ALUMNI ASSOCIATION OF IIT DELHI

ALUMNI
NEWSLETTER
July-September 2025

OVERVIEW

The second quarter of FY 2025-26 saw IIT Delhi Alumni Association (IITDAA) continue its strong momentum across The IIT Delhi Endowment Fund welcomed two new donors, while the Annual Giving campaign engaged over 2,000 alumni and established a new international fundraising chapter in Singapore. Alumni also came together for networking and reconnecting events.

The 57th Convocation on 8 August 2025 saw Shri Jitendra Verma from Jaipur, Prime Minister Shri Narendra Modi's constituency, receive the Institute Silver Medal. Dr. Ashish Dhawan, Chairman, CIIE, delivered the Convocation Address. Over 2,000 graduating students received their degrees. The Convocation also recognised the recipients of the Prize for Excellence in Teaching, Prize for Excellence in Research and the Institute Medal for the best graduating student.

Alumni came together at Meets in Delhi and Greater Noida and at the Singapore Chapter Meet. Six batches met on their Golden Jubilee, Silver Jubilee and Reunion years in November 2024 and February 2025.

The IITDAA Executive Committee held its regular Board Meetings and Management Functions.

Prime Minister Addresses IIT Delhi's 57th Convocation

Over 2,000 graduating students received their degrees at the 57th Convocation

THE CLASS OF 2025

5,216	Total Graduates
387	Doctoral Degrees
1,607	Master's Degrees
3,222	Bachelor's Degrees

2,000+	1,607	387
Graduating students received their degrees	Master's degrees awarded	Doctoral degrees awarded

The 57th Convocation of IIT Delhi was held on 8 August 2025 with 5,216 students received their degrees.

Shri Rathod (Jaitu), Prime Minister Shri Narendra Modi's constituency in Varanasi, received the Institute Silver Medal.

Dr. Ashish Dhawan, Chairman, CIIE, delivered the Convocation Address. He encouraged graduates to contribute to the nation. He noted that the value of an IIT degree has increased over the years. He said that the IIT brand is now among the most valuable in the world, and urged graduates to uphold its reputation.

PARAM Prayog: AI Supercomputing at Sonipat

The Prime Minister remotely inaugurated PARAM Prayog at IIT Delhi's Sonipat campus. It is the latest supercomputer in the country's National Supercomputing Mission (NSM).

4.6 PF	1,024	256
Peak AI performance	GPU cores	CPU cores

New Constructions Underway

Six major construction projects are under way across IIT Delhi's New Area and Rural Campus. These will add new academic, residential, sports and hostel facilities to the campus.

The new hostels are planned to accommodate 4,500 students. Once they are complete, the Institute will be able to host all its students on campus for the first time.

Distinguished Alumni Award 2026

The 2026 Distinguished Alumni Awards recognise IIT Delhi graduates for their contributions in science, technology, business, public service and social entrepreneurship, and for their service to the Institute. This year's recipients reflect the range of fields in which the Institute's alumni are making an impact.

GOLD Award 2026

IIT Delhi has been awarded GOLD status in Lean Sweden 5S Award in 2026 to recognise young leaders who drive innovation and sustainability in business, academia and public sector. The recipients of the Award 2026 are:

ANAND AGRAWAL
Director, Bharti Airtel Limited

ABHAY SETHI
Chief Executive Officer, Jubilant Bhartia Group

Leadership Update

The Founders and Alumni of the IIT Delhi Endowment Fund are building a permanent leader of impact into the Institute. We welcome Rohit Kumar Singh and Amit P Jain.

ENDOWMENT & GIVING

Alumni supported IIT Delhi's faculty and students through a new international faculty fellowship, a professorship and a scholarship. Alumni also gave to the Institute's annual fund.

First. S B Mahadevan Distinguished International Faculty Fellowship

The fellowship was established by S B Mahadevan (Class of 1977, Electrical Engineering) and Mrs. Padmini Mahadevan. It is for a faculty member in the IIT Delhi Computer Science and Engineering discipline, preferably in the area of Artificial Intelligence. The first fellowship was awarded to Prof. Sayan Ranu, Head, Yardi School of Artificial Intelligence. Prof. Ranu is a leading researcher in graph machine learning and data mining. He received his PhD from IIT Madras and was a postdoctoral fellow at the University of Wisconsin-Madison. He has published more than 50 papers in top-tier conferences and journals.

Fellowship At A Glance	
Established by	S B Mahadevan (Class of 1977, Electrical Engineering) and Mrs. Padmini Mahadevan
Focus	AI, computing, and interdisciplinary technologies
Tenure	Three years, renewable once for a total of six years
Faculty Position	Join a new interdisciplinary research vertical by the Institute
Impact Award	Rs. 10 lakh per year for research and travel
Fellowship Terms	Up to five years, valid over 10 years
Eligibility	Faculty member in the Computer Science & Engineering discipline, preferably in the area of Artificial Intelligence

Praveen and Ravi Sharma Merit Scholarship

Praveen Sharma (Class of 1977, Electrical Engineering) and Ravi Sharma (Class of 1979, Electrical Engineering) established the Praveen and Ravi Sharma Merit Scholarship in 2012. The scholarship supports eight B.Tech. students in the Electrical Engineering Department. The scholarship is awarded to students pursuing the full tuition and meets the criteria of academic excellence, financial need and extra-curricular activities.

Dunt Chand Chopra Scholarship

Established by IIT Delhi alumnus Subash Chopra (B.Tech., Mechanical Engineering, 1967), the scholarship supports students in the Mechanical Engineering department. The scholarship is awarded to students pursuing the full tuition and meets the criteria of academic excellence, financial need and extra-curricular activities.

ALUMNI GIFTS

The Founders and Alumni of IIT Delhi Endowment Fund are building a permanent leader of impact into the Institute. We welcome Rohit Kumar Singh and Amit P Jain.

Rohit Kumar Singh

Rohit Kumar Singh
Class of 1992, Electrical Engineering
Chairman, Endowment Fund Committee

Rohit Kumar Singh is a leader in the public sector. He has served as Cabinet Secretary, Principal Secretary to the Prime Minister, and Home Secretary. He supports Indian Art, Artists, and Artisans.

Amit P Jain

Amit P Jain
Class of 1992, Electrical Engineering
Member, Endowment Fund Committee
